The overall feedback received from students, teachers and alumni reflects high level of satisfaction. As this course is based on practical based learning, due to Covid-19 institute has faced great challenge in imparting content in an ideal way, which has led us to develop new methodology for such crisis like situation.

These feedbacks gives incite on the need of more easily available resources at institute itself.

In view of the requirements of NEP 2020 and contemporary opportunities for employability, the following changes in the curriculum suggested from the analyses and discussion:

- Resource generation: (tangible and nontangible)
 - To procure more relevant and updated books and e-library sources.
 - To develop dedicated workshops spaces with advance instruments.
- Reformation of course and contact hours:
 - To reevaluate contact hours per subject suggested in curriculum scheme.
 - To develop new methodology to impart knowledge of subjects in stipulated time suggested.
- Keeping current opportunity of employability in mind need to introduce more practical based subject to make students' industry/market ready.
